

144th Delaware General Assembly
January 2007 - June 2008

Senate Bill Number	Description
<u>SB 1</u>	Worker's Compensation (also see <u>SS 1</u> for <u>SB 68</u> , <u>SB 160</u> , and <u>HB 313</u>)
<u>SB 11</u>	Amends the Delaware Prescription Assistance Program (DPAP) by requiring DPAP applicants to enroll in Medicare Part D before they are eligible to receive DPAP benefits.
<u>SB 27</u>	Amends the Delaware Code by transferring the duties, responsibilities and employees of the Delaware Commission for Women from the Department of Labor to the Department of State. (Also See <u>HB 464</u>)
<u>SB 29 with HA 3</u>	Amends Title 10 of the Delaware Code by Removing the Statute of Limitations for Civil Suits Relating to Child Sexual Abuse and Adding Related Provisions Regarding such Suits and providing a two-year "window" in which victims can bring civil action in cases previously barred by the current Statute.
<u>SS 1 for SB 68</u>	Workers Compensation. Section 1 of the bill clarifies the obligations of independent contractors and subcontractors with respect to maintaining workers' compensation insurance, preserving the option for executive officers who are stockholders of the corporate entity to be exempted from coverage, requiring written certification of either coverage or that no insurance has been obtained by a subcontractor or independent contractor, and affixing the effective date for these provisions as of July 17, 2007. Section 2 of the bill clarifies that Subsection 2311(a)(5) does not create an employer-employee relationship, statutory or otherwise, between the contracting entity and the subcontractor, independent contractor, or their employees, and only clarifies the obligations of contractors, subcontractors, and independent contractors with respect to maintaining workers' compensation insurance.(Also see <u>SB 1</u> and <u>SB 160</u>)
<u>SB 78 with HA 2</u>	Health Insurance and Newborn Screening. This bill provides that certain medical formulas and food expenses in the on-going treatment of Phenylketonuria (PKU) and other inherited metabolic diseases shall be covered in health insurance contracts and also in group and blanket health insurance policies.
<u>SB 79 with SA 3</u>	Emergency Communication Systems. The Act helps to ensure the quality of the State's emergency communications system by maintaining quality in-building communication preventing "dead zone" areas and helping to protect the citizens of the State so emergency public safety personnel can communicate.

Senate Bill Number	Description
<u>SB 84 with SA 1 & SA 4</u>	The bill replaces and updates the current Title 24, Chapter 25, Pharmacy , including provisions relating to objectives, licensure, examination, reciprocity, complaints, grounds for discipline, hearings, and sanctions. The bill also defines a certified pharmacy technician and a pharmacy technician as supportive personnel who may work only under the direct supervision of a pharmacist.
<u>SB 87</u>	Amends Title 16, Subsections 9304, 9305, and 9312 relating to the Delaware Health Resources Board . The bill corrects technical errors from a 2005 Joint Sunset Committee Bill that inadvertently omitted wording to enable the enforcement of charity care requirements. Additionally, the bill correctly references the dollar amount that must be triggered for the review of capital expenditures. Lastly the bill clarifies the 15-day timeline for the review of applications means 15 business days.
<u>SB 94 with SA 1</u>	Replaces Title 24, Chapter 52, Nursing Home Administrators and implements the recommendations for the Board of Examiners of Nursing Home Administrators made by the Joint Sunset Committee during its 1998 review of the Board.
<u>SS 1 for SB 107 with SA 1</u>	Updates colorectal screening modalities and retains the decisions of colorectal cancer screening under the auspices of the Secretary of the Department of Health and Social Services. If passed, the bill is effective January 1, 2009.
<u>SB 108 with SA 1 & SA 3</u>	Clarifies the role of the Office of Radiation Control , establishes progressive administrative penalties, establishes annual x-ray machine registration fees, requires any fee created by the Authority on Radiation Protection to be approved by the General Assembly and administered through the General Fund, and makes other technical changes.
<u>SB 112</u>	Exempts licensed healthcare professionals as well as trained, non-licensed persons, acting at the direction of the Public Health Authority, from the licensing statutes and regulations for healthcare professionals. This exemption is necessary to allow trained, non-licensed persons to hand-out prepackaged medications to essential workers – Delaware’s first line of defense – without there necessarily being a licensed healthcare professional physically present to oversee the dispensing process. Trained, non-licensed persons include, but are not limited to, individuals from the Division of Public Health, the Delaware Emergency Management Agency, and DelDOT as well as fire services and law enforcement agencies.

Senate Bill Number	Description
<u>SB 119</u>	Establishes the current expenses ceiling for the Sussex County Vocation Technical School District at 23.50 cents per \$100 of real property value with a rate of phrase in of 1.26 cents in Tax Year 2008, 1.26 cents in Tax Year 2009, and 1.27 cents in Tax Year 2010.
<u>SB 121 with SA 1</u>	Amends the Occupant Protection System Safety Act to conform to Federal guidelines as it relates to child passenger safety .
<u>SB 136 with SA 2</u>	Creates a trust fund for the investment of assets for future State retiree healthcare liabilities . The Board of Pension Trustees will be the trustees of this trust fund and given the authority to invest those assets.
<u>SB 138 with SA 1</u>	Updates Title 16, Chapters 100 and 101, as it relates to advancements in the enhanced 911 Emergency Number Service as well as includes non-traditional telecommunications services. It further authorizes the E911 Board to conduct annual audits as they relate to service charges and cost recovery for E911 services.
<u>SB 144</u>	Adds clarity and precision to the section of Delaware's Criminal Code that establishes the defense of "Guilty, but Mentally Ill."
<u>SB 150 with SA 1</u>	Enhances and strengthens Delaware's Medical Corp by ensuring Medical Personnel that volunteer their services during emergency and/or disaster relief operations are protected from liability in the same way State emergency responders are protected.
<u>SB 155</u>	Bond and Capital Improvements Act. The bill contains \$3,000,000 for the Delaware Health Information Network (DHIN).
<u>SB 160</u>	Adjusts certain workers compensation reimbursement related matters applicable to hospitals and surgical centers.
<u>SS1 for SB 168 with SA 2</u>	Relates to the transfer or closure of chemical or hazardous substance establishments and to establish a contractor certification program for hazardous substance cleanup sites.
<u>SB 174 with HA 1, SA 1, & SA 2</u>	Amends Title 21 of the Delaware Code Relating to Child Helmet Requirements .
<u>SB 227 with SA 1</u>	Creates a program for local, regional, and statewide notification of a missing senior citizen, missing suicidal person, or a missing person with a disability . The bill expands the communications network area to provide greater assistance to investigating law enforcement agencies in their searches for missing program. This program is similar to the Amber Alert for abducted and missing children.
<u>SB 235 with SA 2 & HA 1</u>	Makes cancer incidence rates available to health professionals and to the public by census tract, thereby enabling cancer clusters to be identified.
<u>SB 244</u>	Amends Title 8 of the Delaware Code relating to the General Corporation Law .

Senate Bill Number	Description
<u>SB 246 with SA 1</u>	Amends Title 29 of the Delaware Code relating to Notaries Public . The amendments include electronic notarization, update of current notary laws, and increases notary commission fees. If passed, the bill would take effect on February 1, 2009.
<u>SB 263 with SA 2, SA 3, & SA 4</u>	Grants legal authority for Delaware to participate in the Regional Greenhouse Gas Initiative (RGGI) CO2 cap and trade program .
<u>SB 269</u>	Eliminates an insurance Barrier preventing retired surgeons from providing critically needed surgical services at the VA Hospital in Elsmere .
<u>SB 300</u>	Makes appropriations for the expense of the State Government for Fiscal Year Ending June 30, 2009. Page 155 mentions a tax on hospitals , but no specific details on the tax. (Also see <u>SB 320</u> & <u>HB 512</u>)
<u>SB 313</u>	Reforms the method by which criminally mentally ill adults and criminally mentally ill non-amenable juveniles are treated .
<u>SB 317</u>	Makes technical changes to the Dietitian/Nutritionist Licensure Act .
<u>SB 320</u>	Makes appropriations for certain Grants-In-Aid for the Fiscal Year Ending June 30, 2009. Pages 25 & 26 mention the Hospital Provider Tax . (Also See <u>SB 300</u> & <u>HB 512</u>)
<u>SB 321 with SA 1</u>	Requires all medical practitioners in the State of Delaware to write their prescriptions on a tamper resistant prescription pad .
<u>SCR 7</u>	Relating to the Promotion of Better Awareness of the Food and Drug Administration (FDA) Approved Vaccination Against the Human Papilloma Virus and Cervical Cancer .
<u>SCR 8</u>	Proclaims the Month of May as Lyme Disease Awareness Month , and requests the Governor to issue a proclamation calling upon the people of the State of Delaware to observe the month of May with appropriate educational programs, ceremonies, and activities that will emphasize the severity of Lyme Disease and hopefully the prevention of future victims of this chronic disease.
<u>SCR 10</u>	Declares May 2007 as Melanoma and Skin Cancer Detection and Prevention Month in Delaware.
<u>SCR 13</u>	Endorses and supports Nemours Health and Prevention Services' Campaign to Make Delaware's Kids the Healthiest in the Nation .
<u>SCR 20</u>	Request the Department of Education to study the feasibility of integrating mandatory cardiopulmonary resuscitation/automated external defibrillator training into high school courses .

Senate Bill Number	Description
<u>SCR 22</u>	Expresses the desire of the General Assembly that Delaware Technical & Community College (Delaware Tech) remain an open admission institution and not be forced to turn away Delawareans seeking to improve their lives through higher education and job training, and directing the Co-Chairs of the Joint Bond Bill Committee to work with the Office of the Controller General and Delaware Tech to identify a stable funding source to finance the college's major and minor capitol improvements and deferred maintenance. (also see <u>SB 167</u>)
<u>SCR 24</u>	Establishes a Task Force to consider the need for adjustments to and/or revisions of Eagle's Law enacted in 2000 to establish minimum staffing levels for residential health facilities (also see <u>SR 11</u>)
<u>SCR 38</u>	Establishes a task force to study the feasibility of establishing a burn camp in Delaware. (Also see <u>HCR 69</u>)
<u>SCR 43</u>	Declares May 2008 as Melanoma and Skin Cancer Detection and Prevention Month in the State of Delaware.
<u>SCR 46</u>	Recognizes the week of June 12th through June 19th, 2008 as National Network of Career Nursing Assistants Week and June 12, 2007 as Career Nursing Assistants' Day .
<u>SJR 12</u>	Establishes the Physician Licensure Task Force for the purpose of shortening the time it takes a physician to begin practice in Delaware. The Task Force shall submit a report to the Member of the General Assembly by March 1, 2009.
<u>SR 9</u>	Extends the due date of the report of findings and recommendations of the Health Service Corporation Task Force from May 15, 2007 to June 5, 2007.
<u>SR 11</u>	Establishes a Task Force to conder the need for adjustments to and/or revisions of Eagle's Law , enacted in 2000 to establish minimum staffing levels for residential health facilities (also see <u>SCR 24</u>)

House Bill Number	Description
<u>HB 10</u>	The Delaware Veterans Home is scheduled to open in the spring of 2007. In order to attract qualified candidates to positions in this facility, this act extends those hiring and compensation procedures currently authorized in budget epilogue and used in the Department of Health and Social Services to positions in the Delaware Veterans Home. Provisions of this act are retroactive to January 1, 2007.
<u>HB 31 with HA 1</u>	Amends Title 29 of the Delaware Code relating to State Planning and County Impact Fees by removing the prohibition against County governments establishing impact fees in certain areas of the County . Kent County Government has passed an ordinance to create an impact fee to support emergency medical services for all areas of the County, but awaits repeal of this prohibition before the fee can be enacted.
<u>HB 36 with HA 1 & HA 2</u>	Creates a uniform cease and desist authority for the Boards (professional licensing and certification boards) . The legislation further authorizes the Boards to establish and impose administrative fines against persons who violate such cease and desist orders, subject to the hearing and review procedures of this Chapter.
<u>HB 38 with HA 2, SA 1, SA 2, SA 3, HA 3, & HA 4</u>	Sets standards needed to become a Licensed Dietitian/Nutritionist and also establishes the Board of Dietetics/Nutrition .
<u>HS 1 for HB 47 with HA 1 & HA 2</u>	Creates the Hospital Infections Disclosure Act requiring hospitals to report quarterly data on hospital-acquired infection rates.
<u>HB 57 with HA 1 & HA 2</u>	Establishes the 2-1-1 Information Helpline to provide community social services information and referral services to a centralized location which will operate 24 hours a day, 7 days a week. The establishment of the 2-1-1 Helpline provides needed information on government and not-for-profit services that provide a variety of programs .
<u>HB 92 with HA 1, & SA 1</u>	Creates a low-cost arbitration process that health care providers can use to resolve payment disputes with insurance carriers .
<u>HB 101 with HA 2</u>	Implements a requirement of the Federal Deficit Reduction Act (DRA) of 2005 to require all health insurers to provide eligibility and coverage information to the State Medicaid Agency , when the State requires such information.
<u>HB 103</u>	Updates Chapters 20 and 31 of Title 16 (Uniform Health Data) by replacing references to the Bureau of Health Planning and Resources Management with Division of Public Health.

House Bill Number	Description
<u>HB 130 with HA 1</u>	Amend Title 11 of the Delaware Code relating to Sex Offenders and Sexual Offenses. This Act expands the definition of sexual offenses in the Delaware Code to include advancing or profiting from child prostitution. This bill also creates a separate crime, with enhanced penalties for sex offenders who commit sexual offenses against children.
<u>HB 144</u>	Amends Title 19, Chapter 33 relating to Unemployment Compensation . Sections 1 and 2 are technical amendments. Section 3 increases the taxable wage base from \$8,500 to \$10,500 effective January 1, 2008. The taxable wage base has not been increased since January 1, 1987.
<u>HB 156 with HA 1</u>	Changes the order in which the right to dispose of a person's last remains devolves upon a decedent's death. (Also see HB 384)
<u>HB 168</u>	Increases the amount a private business or trade school is required to post as an annual surety bond . The purpose of the surety bond requirement is to protect the contractual rights of students. This Act increases the minimum required surety bond from \$5,000 to \$25,000.
<u>HB 178 with HA 1</u>	Re-establishment of a Hearing Aid Loan Bank. The Hearing Aid Loan Bank was originally established by the 142 nd General Assembly for the purpose of lending hearing aids to eligible children under three (3) who suffer from hearing impairment. The original act contained a sunset provision and ceased to be effective in December 2006. This Act re-authorizes the Hearing Aid Loan Bank to ensure all eligible children have access to hearing aids.
<u>HB 187</u>	Raises the permit fees of large industrial and manufacturing sources of air emissions for one year beginning January 1, 2008. This one-year increase addresses a funding shortfall in the Program. Pursuant to Sub-Section 6099, Title 7, Delaware Code, the Title V Operating Permit Program Advisory Committee will meet during 2008 to review the performance and expenditures of the program and make recommendations to the General Assembly on fees for 2009 and beyond and any other elements of the Program.
<u>HB 193</u>	Updates and modernizes the authority of the Department of Natural Resources and Environmental Control relating to Mosquito Control to clarify that authority to protect the public health and well being within the limits of appropriations from the General Assembly. The bill also provides for public notice to land owners and hearing on source reduction practices.
<u>HS 1 for HB 194</u>	Allows the use of Mercury-containing vaccines for children less than 8 years of age or to pregnant women when an emergency occurs as declared by the Director of the Division of Public Health, or when there is no mercury-free vaccine manufactured or available for a specific disease.(See <u>HB 322</u>)
<u>HS 1 for HB 224</u>	False Alarms and Security Systems

House Bill Number	Description
<u>HS 1 for HB 236 with SA 2</u>	Updates the patient notification procedures for retiring physicians and deceased physicians' estates to permit former patients the opportunity to pick-up their medical records.
<u>HB 249 with HA 1</u>	Increases the cigarette tax from \$0.55 to \$1.15 per pack. (also see <u>HB 49</u>)
<u>HB 266</u>	Standardizes the definitions of child abuse, dependency, and neglect throughout the Delaware Code.
<u>HB 267 with HA 5</u>	Ensures individuals who are eligible for the Federal Medicare program due to a disability are able to purchase the same Medicare Supplement available to individuals eligible for Medicare due to age.
<u>HB 286 with SA 1</u>	Amends Title 14 and Title 16 of the Delaware Code. Requires local school districts, vo-tech school districts, and the Department of Health and Social Services to take advantage of the right afforded by Title 7, Part 245 of the Code of Federal Regulations for school districts and State agencies to share data for the purpose of enrolling children in free or reduced price health insurance program (Delaware Healthy Children Program).
<u>HB 319 with HA 3</u>	Provides for coverage in individual, group, and blanket insurance policies delivered or issued for delivery to any person in this State for the use of anesthesia in colorectal screenings if the health care provider who is treating the participant or beneficiary believes the use of anesthesia is appropriate and beneficial.
<u>HB 320</u>	Revises the membership of the Council on Services for Aging and Adults with Physical Disabilities to match exactly the qualifications for membership of the physical disability portion of the Board.
<u>HB 322</u>	Provides that vaccines containing mercury may not be given to children under 8 years of age or to pregnant women, except under the special circumstances described in the bill. (Also see <u>HB 194</u>)
<u>HB 329</u>	Implements the recommendations made by the State Fire Prevention Commission to the Governor in response to Executive Order No. 99 giving the Commission the authority to establish regulations governing audits of volunteer fire and ambulance companies and the power to impose sanctions for non-compliance.
<u>HB 343 with HA 2 & HA 1 to HA 2</u>	Amends the definition in the criminal code to include the definition of electronically-controlled devices as a dangerous instrument under State law.
<u>HB 355 with HA 2 & SA 1</u>	Requires individual and group health insurance contracts to provide coverage for hearing aids of up to \$1,000 per year, every three years, for covered dependents.

House Bill Number	Description
<u>HB 361</u>	Removes the Sunset provision of the previous version of Subsection 3000A, allowing licensed practical nurses, under the supervision of registered nurses, to instruct students during the clinical phase of certified nursing assistant training programs .
<u>HB 377 with HA 1 & SA 1</u>	Provides for the licensing of professional acupuncturists in the State of Delaware.
<u>HB 378 with HA 1</u>	Establishes a program and the criteria to certify acute care hospitals as primary stroke centers .
<u>HB 381 with HA 1</u>	Amends Title 16 of the Delaware Code relating to Advance Health-Care Directives and Health Care Information to enable an agent, surrogate, or guardian of the person to have full authority and standing under the Health Insurance Portability and Accountability Act (HIPAA), its regulations, and standards, to act as the personal representative under HIPAA, even if the advanced health-care directive, surrogate confirmation, or guardianship order does not expressly provide.
<u>HB 387 with HA 1</u>	Amends the Hearing Aid Loan Bank to expand eligibility for hearing aids to all children less than 18 years of age. Also allows the program manager to extend the original loan period for an additional 6-month period.
<u>HB 392 with HA 1</u>	Establishes guidelines for volunteer dentists, hygienists and dental assistants .
<u>HB 418</u>	Amends the Delaware Clean Air Act Title V Operating Permit Program by reauthorizing and restructuring the permit fees for facilities in Delaware and allows the Department of Natural Resources and Environmental Control (DNREC) to collect fees beginning January 1, 2009 through December 31, 2011.
<u>HB 424 with HA 1</u>	Amends Title 11, Chapter 39, Subchapter 11, requiring the defendant to submit to HIV testing at the request of the victim if the defendant has compelled the victim to engage in sexual activity either through force or threat of force . This bill allows the State to continue receiving Violence Against Women Act (VAWA) grant funds.
<u>HB 438</u>	Calls for the State Fire Prevention Commission to promulgate regulations requiring all persons involved in the inspection and testing of water-based fire prevention protection systems to maintain current certification in the NICET II "Inspection and Testing of Water-based Systems" certification program , and to require 16 hours of continuing education requires for every biennial renewal period.

House Bill Number	Description
<u>HB 446</u>	Establishes the Adult Correction Healthcare Review Committee and sets forth its purpose to provide advice to the counsel in relations to the provisions of adequate healthcare services to the incarcerated population within the State of Delaware. The bill exempts the Committee from the Freedom of Information Act as it relates to open meetings and public records. The Committee shall be required to report to the Governor and the General Assembly each year regarding the State of inmate healthcare in Delaware.
<u>HB 454 with HA 1</u>	Amends Title 16 of the Delaware Code relating to Internet Pharmacies and Internet Sales of Prescription Drugs .
<u>HB 464</u>	Implements the recommendations of the Joint Sunset Committee and establishes the Office of the Commission for Women under the Secretary of State. The Commission shall function as an advisory, coordinating and implementing state agencies within and outside the State to promote and facilitate the full participation of women in all sector of society including the Delaware Commission of Women (see <u>SB 27</u>).
<u>HB 472</u>	Creates procedures by which the Child Death, Near Death, and Stillborn Commission will perform reviews of maternal deaths occurring in Delaware in an effort to prevent future deaths and to improve services to pregnant women. The bill also extends the timeframe from 3 months to 6 months for expedited reviews of all child abuse and neglect deaths and near deaths and provides for compliance with the Federal Child Abuse Prevention and Treatment Act requirements pursuant to 42 U.S.C. § 5106 a(b)(2)(A)(x).
<u>HB 521</u>	Amends Title 24, Medical Practice Act , to add a new subsection exempting physicians providing second opinions under the State's Group Health Insurance Program from having to obtain a certificate to practice medicine in the State of Delaware provided they are licensed in another state or the District of Columbia.
<u>HCR 2</u>	Urges Delaware's Congressional delegation to reauthorize the State Children Health Insurance Program (SCHIP) to assure federal funding for Delaware's SCHIP Program . The resolution also urges all State agencies to work to ensure that all eligible Delaware children are enrolled in the Delaware SCHIP Program.
<u>HCR 9</u>	Encourages the Delaware Medical Society to inform its members about postpartum depression and screening tests .
<u>HCR 15</u>	Recognizes June 14, 2007 as National Nursing Assistants' Day and recognizes the vital role that Certified Nursing Assistants play in providing health care services.

House Bill Number	Description
<u>HCR 30</u>	Recognizes June 15, 2007 as Delaware Elder Abuse Awareness Day.
<u>HCR 49</u>	Establishes a Task Force to review coordination of health care, social, and legal services for Delawareans with Huntington's Disease . The Task Force shall submit their report to the Speaker of the House and President Pro Tempore of the Senate on or before January 15, 2009.
<u>HCR 59</u>	Proclaims the week of June 1-7, 2008 to be CPR-AED Awareness Week in the State of Delaware.
<u>HCR 69</u>	Urges Delaware State Fire Commission to establish a Delaware Burn Camp to help young people who have suffered severe burns deal with the physical and emotional issues arising from such injuries. (Also see SCR 38)
<u>HR 29</u>	Establishing the Woman's Healthy Heart Task Force to develop a comprehensive strategy to encourage health heart activities for women. The Task Force will report its findings and recommendations to the General Assembly by March 2008.
<u>HR 32</u>	Directing the Delaware Economic Development Office to study the costs (public health, hospitalization, criminal justice and court services, education, taxes, social services, and insurance costs, etc.) and impact of undocumented immigration on the State of Delaware and submit a cost impact to the House of Representatives by January 8, 2008.
<u>HR 33</u>	Commending Beebe Medical Center, Nanticoke Memorial Hospital, and Peninsula Regional Medical Center on establishing tobacco-free, smoke-free facilities and campuses.
<u>HR 38</u>	Creates a Health Insurance Pools Task Force to perform certain analyses and make legislative recommendations by March 14, 2008.
<u>HR 38</u>	Creates a Health Insurance Pools Task Force to perform certain analyses and make legislative recommendations by March 14, 2008.
<u>HR 40</u>	Recognizes the week of January 20, 2008 through January 26, 2008 as Nurse Anesthetists Week .
<u>HR 54</u>	Urges the Delaware Psychiatric Center to develop a comprehensive system to monitor and track patient assessments, treatment plans, therapy sessions, and discharge documentation.
<u>HR 55</u>	Urges the Joint Finance Committee to give great weight to allocating additional funding directly to the Delaware Psychiatric Center to fund necessary improvements to the facility.
<u>HR 56</u>	Urges the Joint Finance Committee to review the Delaware Psychiatric Center's overtime appropriations.

House Bill Number	Description
<u>HR 57</u>	Directs the Department of Health & Social Services (DHSS) and the Delaware State Police (DSP) to develop a memorandum of understanding relating to when the police will be contacted to investigate alleged criminal actions at the Delaware Psychiatric Center.
<u>HR 58</u>	Creates a Task Force to study and make recommendations regarding the establishment of a certification and licensure process for mental health attendants.
<u>HR 61</u>	Encourages the Division of Professional Regulation to work with military and their families who are transferred into the State to maintain any professional credentials, licenses, or certifications issued in their home state without having to be recertified for that profession while stationed in the State of Delaware.
<u>HR 65</u>	Creates a Task Force to develop a plan to pilot a two in-hospital urgent care facilities in Delaware.
<u>HR 74</u>	The Division of Substance Abuse and Mental Health is offering a free workshop for Dementia Care Training . The workshop carries 12 continuous education credits (CEUs) and is available in New Castle, Kent, and Sussex Counties. The training is available on the internet and can be completed at one's place of employment.
<u>HR 75</u>	Establishes protections for mentally disabled individuals suffering from severe brain injuries in the State of Delaware.
<u>HR 76</u>	Creates a Task Force to review Delaware's Health Information Network (DHIN).
